

K. of C. ORGANIZE BASKETBALL TEAM

Through the efforts of the local Knights of Columbus Norwich is to enter the basketball field of the state represented by a fast team comprised of some of the best players obtainable. This comes as welcome news to Norwich sports lovers who since the close of the baseball season have been anxious for some sporting activities that are strictly Norwich. The Knights of Columbus being the logical organization to put on a basketball program this season have taken up the matter and will back as strong a team as ever stepped onto basketball floor.

From the past records of the activities in the athletic line this team is bound to put Norwich in the running for a state basketball championship and may even bring her into the limelight as a contender for the New England honors. The final decision of the Knights to finance a basketball team in Norwich was made at a meeting of the council held on Sunday afternoon. The meeting elected P. J. Desmond as chairman of the Basketball Association of the Knights of Columbus. This association will be conducted along the same lines as those of the Baseball Association which has made such an excellent impression on Norwich people during the past two years. The secretary of the new association is Richard C. Moran the treasurer, Thomas Caffery.

In the choice of playing manager Joe Belair has been picked out as the man for the position. Joe has made a great reputation as a basketball player and has gained state wide notoriety as a forward of the first magnitude. Manager Belair has been given instructions to go out and get some good men to represent the Rose City council. Manager Belair has also received communications from some of the fastest teams in the state looking for games. Manager Belair assures the public that any game that is booked here will be with fast company.

Olympic Hall will be the arena where the Knights will hold their first game for every week during the coming season will be scheduled. It is planned to have the first game about Thanksgiving time. Basketball fans are requested to write to the Basketball association stating which evening they consider the best for the games. Not only will the Knights put on a professional team but they will also start a six team amateur league with the hope of developing young players so that next year the city will be represented by an All-Norwich team. The league games will be played as preliminaries and on other evenings during the week. The association will also be under the supervision of a veteran basketball player who will help the boys in the finer points of the game.

Now that basketball has been assured Norwich it is the people that will make it become one of the leading sports of the winter season in this city.

BILLIARD PLAYERS AND FANS GATHERING FOR TOURNAMENT

Chicago Nov. 13.—Balk line billiard players and fans from all parts of the country gathered here today for the opening of the first world's championship tournament held in 18 years.

The opening event will find William Hoppe, champion since 1908, and six challengers representing three nations ready to play.

The first match will bring together two youngsters of the tourney, Walker Cochrane of San Francisco and

Roger Conli, of France. Hoppe will play for the first time Tuesday when he meets the loser of the Cochrane Conli match.

Three matches are scheduled for each day after the opening event. Edouard Horemans, the champion of Europe, will meet Ora Morningstar of San Diego, California, Tuesday and two Chicago entrants, Jake Schaefer, Jr., and George Sutton will follow. After the Hoppe match Tuesday, drawings for future contests will be made according to the results of play.

YALE TOO STRONG A Foe FOR HARVARD ELEVEN

New York, Nov. 13.—The smashing, plunging band of football warriors that carried the Blue standard of Yale to victory over the Princeton eleven Saturday in the bowl at New Haven is ranked, because of that triumph, as too strong a foe for the eleven of Harvard, which the bulldog meets next Saturday in the last of the season's Big Three clashes.

Princeton has won from Harvard and lost to Yale. Should the great rushing power and speed of the Yale machine fall to carry it to triumph over Harvard next week, the situation thus created would be unique—a triple tie for the so-called Big Three championship.

Captain Malcolm Aldrich's kicking toe was the real factor in Yale's victory over Princeton, for the two field goals that Aldrich lifted between the posts carried the Bulldog to its 13 to 7 score.

Charles O'Hearn, the Eli quarterback, made the Yale touchdown in the opening play of the game.

Penn State's eleven defeated during the season drove to a 13-7 victory over the Navy which had up to that time a series of unbroken victories.

The closeness of the battle that these teams waged on Franklin Field in Philadelphia. There were times during the game when it appeared as though the Middles would be unable to stem the Penn State attack but they came back strong in the second half, and while holding their adversaries scoreless, were in striking distance of their goal on numerous occasions.

Harvard, represented mostly by second string men, found a stubborn foe in Brown, but fought determinedly in the last quarter and scored a touchdown that brought victory, 9 to 7.

Pennsylvania launched a game offensive in the last minutes of its game at the Polo Grounds with Dartmouth and managed to tie, 14-14. The Army found its easiest opponent of the season in Villa Nova and swept to a victory of seven touchdowns, 49 to 0.

Ohio University, in its second invasion of the east this season defeated Columbia 21 to 21. Swarthmore's offensive was puzzling to Johns Hopkins and the Baltimore eleven lost 7 to 0.

Cornell found a stiff defense in the Springfield Y. M. C. A. College line and could make but two touchdowns to win 14 to 0. Lafayette continued its victory streak, defeating Delaware easily 44 to 0. Syracuse won from Colgate 14 to 0 and Warner's Pittsburgh eleven lost to Washington and Jefferson, 7 to 0. Bucknell backs wormed through Gettysburg's weak line for five touchdowns, and won 34 to 7.

NORWICH BOY SCORED VICTORY OVER CHOYNSKI

Ted Russell, a Norwich boy who is in the fighting game in and around New York, a sensational victory 0 to 5 Steve Choyinski of Buffalo, in a ten round bout, at Clark's, West Virginia, Friday night. Russell's clever

boxing and hard hitting proved too much for the Bison City batter. Jack Merriman of Columbus won over Young Plagel of Pittsburgh in a eight round bout.

MOOSUP ROVERS DEFEATED JEWETT CITY FIVE

The Moosup Rovers defeated the Jewett City basketball team, 38 to 18, Friday at Moosup. In the opening of the home season. The Rovers did most of the passing.

Strick, Tyler and Sunn done most of the basketball shooting for the winners while Blake play a good game for the visitors. The Rovers play the Nightengale Mills at Putnam, Wednesday, lineup.

BRIGHT PROSPECTS OF BOXING BOUTS BEING PUT ON HERE

boxing bouts here this winter is one of the questions that has been asked during the past few weeks. Rumors have been current during the past few days that may answer this question to the satisfaction of Norwich boxing fans. The rumor which has almost ceased to be a rumor is that a boxing club is in the process of organization. Also Dame Rumor says that the club has the backing of one of the largest organizations in the city but this could not be affirmed on Sunday evening as members of this organization would neither affirm nor deny the rumor.

It is known that this society is in favor of all clean sports that are proper and conducted and furthermore they have the facilities and men who have more than the average experience in the boxing who no doubt could put boxing on as high plane as any other red-blooded sport.

If the rumor proves to be true it will be welcome news to the hundreds of boxing fans in Norwich as they are clamoring for good clean boxing.

There was a time when Norwich was considered one of the state's strongholds for this sport but some blows which the fans considered were not up to the standard spoiled the game here. The fans are anxious to see Norwich once more take its place as one of the leading sport centres of Connecticut but will not stand for the over-night fighters who sail through a few rounds, get their money and give Norwich the laugh. This has been done in Norwich and all through the state in fact but the new boxing commission is fast thinning these fighters out.

SPORT NOTES

Rob Menzel, who is waiting for Judge Landis to make a decision on the recent barnstorming tour in which Menzel participated with Babe Ruth and Bill Terry, is credited with having little respect for the venerable judge. While passing through Chicago Menzel was reported to have made statements that were far from complimentary to Judge Landis. Menzel made no comment or the matter but probably is doing some deep thinking.

Frank Chase, former manager and first baseman of the Chicago Cubs when that team was one of the best in baseball is the president of the Winter League. Chase managed the Yankees with little success after leaving the Cubs and then dropped out of baseball. Chase may be seen in the big league for many years either as an owner or manager.

Cuts That Mean Cash.

The days of our age are three-score years and ten, said the psalmist, showing that our forefathers reckoned by decades, a system of reckoning of figures based probably in its original form upon the practice of counting upon the fingers and toes.

The word "score" itself comes from the Anglo-Saxon, being nothing more than the word "score" which is the past participle of "scoran"—meaning to cut. It indicates a notch or incision made upon a record of financial transactions.

The "score" which was the twelfth month up to which the primitive "account books" a cut which was longer and deeper than the others. Hence the expression, "to pay off old scores" means not only the repayment of old debts, but the revenging of grievances which have cut deep and left a lasting impression.—Exchange.
